BOX SCORES OF SEVEN 2ND-ROUND 2001 PLAYOFFS

By an Ancient Scottish Reporter

STANFORD – On Monday, August 20, the two finalists of the “D” Division’s playoffs met for the best two out of three deciding games. Big Sky from the Stanford Alumni Association coached by Karen Porter faced the ASA/AA team coached by Mike Loreda representing the Ambulatory Surgery Center / Associated Anesthesiologists. Leander Robinson umpired both games that were played on Field A that had been relocated after the end of the all-star games week. Toward the end of the regular season, the original Field A had become so well-used and well-watered that the batters box and pitcher’s mound (no longer a mound but a depression) were mud holes. The field was then relocated by the Commish in a northeasterly direction with the new home plate beyond the original second base and the new ballpark still oriented with the setting sun still shining brightly into the eyes of the player at first base.
